A young man and woman are looking at a tablet together. The man is on the left, smiling, and the woman is on the right, wearing glasses and also smiling. They are both looking at the tablet which the woman is holding. The background is blurred, suggesting an indoor setting like a library or classroom.

# Who Are We?

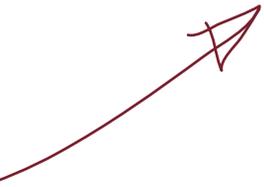

**Our foundation rests on innovation, creativity and collaboration with our students and partners.**

**Our motivation is based on one simple goal:  
Student Success**

Hanson Canada is a private education service provider, headquartered in Ontario, we operate three education campus locations in Toronto, Brampton and Vancouver. We value innovation, creativity and collaboration and we believe in our brand-Hanson Canada.

## About us

Since 2001, Hanson is a registered education provider with the Ministry of Education and the Ministry of Training Colleges and Universities to provide secondary, post-secondary, and language programs to both domestic and international students.

In 2005, Hanson Canada entered into a partnership with Cambrian College of Applied Arts and Technology, one of the twenty four public colleges in Ontario, to form Cambrian at Hanson. At our three campus locations, Hanson is delivering Cambrian College programs exclusively to international students. As the leader in Public-Private Education delivery and the first of its kind, Hanson Canada maintains its position as the preferred destination for students looking for a quality education experience in a unique learning environment.

---

## Why Cambrian at Hanson?

You are an international student. You are coming to Canada for the first time. You are seeking the Canadian experience, but you know you need support and to ease your transition.

### **What is the answer? The Hanson Experience.**

Cambrian College is a public college with a world class reputation for public college programming. Cambrian at Hanson specializes in delivering the best services and support to international students, together we have created a place for international students to study that is tailored to the needs of our students.

This is a rare experience, one that cannot be duplicated at the big Canadian Colleges, we know you by name, we care about you and we will make sure you succeed no matter where your journey takes you! Cambrian at Hanson means that you can learn public college programs at any Hanson campus, Vancouver, Brampton or Toronto. You can also choose to study in Northern Ontario at Cambrian College in Sudbury.

**We believe you will not get a better, all around Canadian experience anywhere else.**

## Why Canada

Known for its multiculturalism, safety, health and education system, Canada is also an incredible country that is the perfect combination of natural beauty and exciting urban life. Hanson takes great pride in helping international students from all backgrounds to learn and adapt to Canadian cultural values and education, and also exploring the country for all that it has to offer.

**Your journey starts right here, right now.**

Hanson Canada is headquartered in Toronto, the capital city of the province of Ontario. As Ontario's capital, Toronto is a diverse and modern city that offers an array of shopping venues, entertainment, employment, and outdoor activities. The city is home to more than **3** million people and is known as one of the most multicultural cities in the world. We operate campuses in New Westminister, British Columbia, which is located in metro Vancouver on the banks of the Fraser River. A small community accessible for students and a perfect location to live and learn. Our third location is in Brampton, Ontario. Brampton is a diverse Canadian city in Southern Ontario, Canada. It is a suburban city in the Greater Toronto Area and the seat of Peel Region.

### Map of Campus locations

**Program Name:** Business  
**Level of Study:** Diploma  
**Program Length:** 2 years / 4 semesters  
**Co-op or Field Placement:** No

**Description:**

Cambrian College's two-year Cambrian College Business diploma program is designed for students who want to build their knowledge in a broad range of important business functions. The curriculum in this program guides the students through the following areas: business finance and structures, accounting procedures, personnel management, meeting regulatory requirements, new business development, and organizational planning.

Graduates have the knowledge, practical skills, and proficiency to organize business assets and motivate employees toward greater productivity.

**Graduates may seek employment within:**

- Sales
- Retailing
- Wholesale
- Manufacturing
- Insurance
- Service industries

**University Pathway Opportunities?**

Graduates from this program may continue their studies at university and may receive credit for their prior College education.

Refer to College/University Agreements at [www.cambriancollege.ca](http://www.cambriancollege.ca) for further information.

**Program Name:** Hospitality - Hotel and Restaurant  
**Level of Study:** Diploma  
**Program Length:** 2 years / 4 semesters  
**Co-op or Field Placement:** Yes

**Description:**

This diploma program, offered in a continuous 16-month fast-track format, focuses on the practical aspects of hospitality service. The program has been designed for students to develop and acquire the skills and knowledge necessary to enter the workforce and to perform their roles in front line services. Students will be instructed in mixology, wines, customer service, hotel services and menu planning and design. They will also be provided with an introduction to managerial concepts including accounting, marketing, law and Human Resources .

Students will learn basic reservation and booking procedures for hotels using the Opera software system. Students will have the opportunity to gain hands on experience in the beverage and restaurant industry through Hanson's onsite teaching facility.

**Co-op or Field Placement**

A field placement experience is available to students to gain practical exposure to the workplace. The placement would be arranged in the last eight weeks of the program's fourth and final semester. Students will work in conjunction with the Field Placement Coordinator.

**Graduates may seek employment within:**

- Hotel Front Desk
- Food and Beverage operations
- Catering
- Resort Hosting
- Banquet planning
- Event and Corporate Event management
- Marketing and Sales
- Hotel and Restaurant Administration

**Professional Pathway?**

Students will have the opportunity to gain Smart Serve and Food Handler certifications, which are valued and often required in the industry.

Any additional costs are to the student.

**Program Name:** Tourism and Travel  
**Level of Study:** Diploma  
**Program Length:** 2 years / 4 semesters  
**Co-op or Field Placement:** Yes

**Description:**

This program provides students with the most important skills required to work in any sector of the tourism industry. The curriculum follows the industry requirements by offering courses in world destinations, selling and customer service, transportation, communication, product knowledge, tour development and management, tourism law, business math, and event management. The students will learn to research, solve problems, be team players, exhibit professionalism and adapt to an ever-changing industry.

Students will become familiar with world tourist destinations and their local laws and customs. They will learn basic reservation and booking procedures for airline, hotel, car, cruise, rail and bus. The students receive training in both major airline reservation systems: APOLLO BY GEMINI (GALILEO) AND SABRE.

**Co-op or Field Placement**

A field placement experience is available to students to gain practical exposure to the workplace. .

The placement would be arranged in the last four weeks of the program's fourth and final semester. Students will work in conjunction with the Field Placement Coordinator

**Professional Pathway?**

Completion of the program prepares students to write the Knowledge Exam that is part of the certification requirements to become a Certified Travel Counsellor from CITC. The students are encouraged to become members of the Canadian Institute of Travel Counsellors (CITC). This association provides students with the opportunity to participate in seminars and conferences. For more information on becoming a Certified Travel Counsellor, contact CITC at [www.citc.ca](http://www.citc.ca).

**Graduates may seek employment within:**

- Tour operators
- Travel agencies
- Airlines
- Hotels and resorts
- Car rental companies
- Cruise and yacht companies

Any additional costs are to the student.

**Program Name:** Human Resources Management  
**Level of Study:** Graduate Certificate  
**Program Length:** 1 year / 3 semesters  
**Co-op or Field Placement:** Yes

**Description:**

The program is designed to provide graduates with the skills and knowledge necessary to pursue careers as human resources practitioners. The curriculum includes all of the approved courses required by the Human Resources Professionals Association (HRPA) in Ontario to qualify to write the National Knowledge Exam in human resources. Successful completion of the approved coursework and the National Exam are two of the five components required to achieve the designation of Certified Human Resources Professional (CHRP). For complete information on the professional certification process, go to the HRPA website at [www.hrpa.ca](http://www.hrpa.ca)

**Professional Pathway?**

With the completion of approved courses required by the HRPA, students may qualify to write the National Knowledge Exam in human resources, which is part of the five components to achieve their Certified Human Resource Professional (CHRP) designation. It is the responsibility of the student to pursue this certification.

**Graduates may seek employment within:**

Specialists in human resources may work in medium- to large- sized organizations that have formal human resources departments. Some specific positions include:

- Recruiter
- Staff trainer
- Human resource coordinator
- Compensation analyst
- Employee relations officer
- Payroll administrator

**Co-op or Field Placement**

Semester three will be an eight-week, unpaid field placement.

Any additional costs are to the student.

**Program Name:** International Business Management  
**Level of Study:** Graduate Certificate  
**Program Length:** 1 year  
**Co-op or Field Placement:** Yes

**Description:**

If you're interested in pursuing a career in global business management, this intensive program will enable you to explore key areas of global management, including global marketing, finance, and supply chains. You will develop the core skills required to effectively manage the aspects of global business activities for an organization.

**Professional Pathway?**

As a graduate, you may pursue additional certification towards a Forum for International Trade Training (FITT) designation as a Certified International Trade Professional (CITP). These certifications are not part of the International Business Program.

**Graduates may seek employment within:**

Employment opportunities for graduates may be found in a wide range of private and public international business environments in areas that include:

- Exporting and importing
- Distribution and logistics
- International trade development
- International research
- International sales and marketing
- International finance administration

**Co-op or Field Placement**

Semester three will be an eight-week, unpaid field placement.

Any additional costs are to the student.

**Program Name:** IT Business Analysis  
**Level of Study:** Graduate Certificate  
**Program Length:** 1 year  
**Co-op or Field Placement:** Yes

**Description:**

Enhance your IT and business analysis skills, and be prepared to take advantage of career opportunities. This intensive program is designed to meet industry demand for IT business analysts and will give you the skills and techniques to create and manage organizational process change. You will gain a solid understanding of how to gather, document, and communicate stakeholder requirements and how to recommend solutions, evaluate solutions, and provide quality assurance. You will select courses from either the business stream or the IT stream, based on your background and specific training needs, and complete an eight-week placement in the third semester.

**Graduates may seek employment within:**

Graduates will find employment in private and not-for-profit organizations and government departments as business analysts. Entrepreneurs can become consultants for organizations.

**Co-op or Field Placement**

Semester three will be an eight-week, unpaid field placement.

Any additional costs are to the student.

**Program Name:** Cloud Computing  
**Level of Study:** Graduate Certificate  
**Program Length:** 2 years  
**Co-op or Field Placement:** Yes

**Description:**

Cloud Computing is an emerging and evolving area of specialization within the IT industry. As businesses and governments migrate their IT services to the cloud environment, there will be a need for well trained individuals to manage both the transition to, and integration of, the cloud.

This two year graduate certificate program will focus on understanding the cloud service models, the financial, technological and organizational implications of migrating to the cloud, the storing and sharing of data using the cloud, as well as security and privacy implications of cloud computing.

**Graduates may seek employment within:**

Graduates of this program can expect to build a rewarding career with competitive compensation. From managing big data to security, a career in cloud computing offers many opportunities and allows graduates to explore a variety of careers in this field.

Courses in this program will prepare students for employment in this growing and exciting field. Popular employment range from architects and developers to data scientists and security professionals.

**Co-op or Field Placement**

In semester four, students will complete a mandatory 15 week paid co-op which will offer hands on professional experience and industry connections.

Students are expected to participate in the co-op job search.

Any additional costs are to the student.

**Program Name:** Mobile Application  
**Level of Study:** Graduate Certificate  
**Program Length:** 1 or 2 years  
**Co-op or Field Placement:** Yes

**Description:**

The Mobile Application Development one/ two year Graduate Certificate program will prepare students for entry into the exciting and rapidly changing field of mobile application development. The demand for access to information on the mobile device continues to grow and evolve.

In the first two semesters of this program, students will learn and apply the fundamentals of web and mobile application development for smartphones and tablets. Students will also develop essential programming skills required for the rapidly changing mobile applications.

Students have an option to graduate with a one year or two year mobile application certificate.

**Co-op or Field Placement**

Students in the one year program will either complete a mandatory 15 week paid placement or they can complete an Independent Study Project.

Students in the two year program will have an option of an Independent Study Project or 15 week paid co-op in Semester three and four. Students cannot repeat the Independent Study Project in both semesters. One semester of co-op must be completed.

**Graduates may seek employment within:**

Graduates can expect a wide variety of rewarding career opportunities that are both challenging and dynamic in nature, and also offer competitive rates of compensation.

Courses in the program prepare graduates for careers such as iOS programmer, Android programmer, mobile application developer, software developer, computer programmer, programmer analyst, database developer, web application developer and database specialist. Upon completion of this post-graduate certificate, graduates will be equipped with multidisciplinary skills that can be applied in a variety of careers in the field.

**Program Name:** Organization Management  
**Level of Study:** Graduate Certificate  
**Program Length:** 1 year / 2 semesters  
**Co-op or Field Placement:** No

**Description:**

Maximize your leadership potential by expanding your management skills through this one-year graduate certificate management program. This comprehensive program offers you the opportunity to broaden your perspective on salient management responsibilities and skills. This program enables you to leverage your existing career and educational experiences to move into management positions. You will take a series of carefully selected business courses that will build and enhance your skills in critical areas of management such as finance, marketing, human resources, and leadership. These courses are designed to enhance your employability and career advancement.

**Graduates may seek employment within:**

Graduates of this one-year graduate certificate program will be positioned to pursue management positions in a wide range of organizations including:

- Financial institutions
- Not-for-profit organizations
- Government offices
- Public accounting firms, small business
- Manufacturing industries
- Health care
- Community services
- Entrepreneurship

## FAQ

### **What financial assistance is available to me?**

Annually, thousands of dollars in scholarships are made available to qualified students at each Hanson campus.

### **Is there practicum placement assistance?**

Yes, academic and administrative staff are heavily involved in the practicum placement process. They screen employers, match students to quality placement opportunities, and monitor and evaluate student learning and progress.

### **What about the qualifications of instructors at Hanson?**

All instructors at Hanson are qualified college instructors in Ontario. In addition to having the required experience, the Hanson Academic Committee follows a rigorous interview and testing process for each potential applicant. Many of our instructors are also certified by professional organizations, for instance, our accounting instructors are Certified General Accountants (CGA). Comprehensive evaluations and reviews will be conducted near the end of each semester to ensure that our instructors meet the expectations of our Academic Committee, and the requirements of the Ministry of Training, Colleges, and Universities.

### **Is it possible to obtain notarization of the Cambrian College diploma from the Chinese consulate?**

Yes, the diploma received by students who successfully complete their Cambrian College program at Hanson Canada can be notarized. The notarization office is located at the Chinese Consulate-General in Toronto.
