Erin Kourelis – Director, Academics

1. Policy

Hanson College BC, hereinafter referred to as Hanson, strives to ensure that its academic decisions are fair and equitable for all students. Fundamental to this objective is the right to appeal academic decisions. Academic Grievance is the process that provides students with a formal and objective forum for voicing their differences and complaints in the interest of having Hanson modify its academic decisions other than the awarding of a grade for which the Grade Appeal Policy is to be used.

Students are encouraged to resolve differences on academic matters more informally through discussion with a number of resource people at Hanson. These include faculty, Academic Administrators, Managers and the Director, Academics. The Academic Grievance Procedure is not to be considered as an appeals tribunal for other formal conflict resolution mechanisms such as the Grade Review Appeal or the Code of Conduct and Student Complaints Policy.

2. Membership of the Grievance Board

2.1 Membership of the Grievance Board will include the following:

- Two (2) students (complainant is entitled to forgo student representatives, at the sole discretion of the complainant)
- One (1) support staff (financial or IT department)
- One (1) faculty
- One (1) academic administrator
- One (1) non-academic administrator

2.2 The Director, Academics will appoint a designated Grievance Board Chair.

Given the importance of the recommendations from this committee, all members or their designates are to be present for meetings to proceed.

3. Procedure

- 3.1 A student alleging unfair or inequitable academic treatment should present his/her case, outside scheduled class time, to the Director, Academics or designate within five (5) working days of the event in dispute.
- 3.2 Students are asked to use the Incident Report Form to explain their grievance.
- 3.3 The case should be well-documented, outlining the nature of the problem, the rationale for the disagreement, and the suggested resolution.
- 3.4 Usually, students will be expected to have tried to resolve their concerns informally prior to requesting a formal appeal. Upon receipt of a request for a formal appeal, staff will immediately initiate the procedure by alerting the Director, Academics.
