1. Preamble

To be successful in a post-secondary education program, a student must possess adequate language proficiency in the language of instruction. All courses at Hanson College BC (hereafter 'Hanson') are delivered in English; therefore, a prospective student must show adequate proof of language proficiency before being offered admission to the college. Hanson College BC recognizes that international students from non-English speaking countries might not have the English language skills equivalent to those of native English speakers. The following guidelines are in place to ensure that all students enrolled in Cambrian College programs at Hanson College BC have sufficient English language skills to achieve academic success at the post-secondary level.
